## Qu Qiubai's Newspaper Activities and His Historical Contributions During the Great Revolution

*Zheng Baowei Yin Yanyong*

**Abstract** Qu Qiubai was an important political activist and theoretical propagandist in the early stage of the Communist Party of China. He was the chief editor of the newspapers and periodicals of the central organ of the CPC during the great revolution. He made great contributions to the party's revolutionary cause and news propaganda by virtue of his profound Marxist theory cultivation and rich experience in revolutionary newspaper activities. During the Great Revolution Qu Qiubai actively propagated the policies and propositions of the CPC by using newspapers and periodicals, enthusiastically spread the scientific theory of Marxism-Leninism and correctly guided the revolutionary struggle of the proletariat. He built a strong public opinion position for the CPC, accumulated valuable experience in newspaper work and enriched the experience in running newspapers and news thoughts of the CPC.
